what will

you  
**DO?**

Every few seconds, someone is affected by a heart condition. Will you be next? Heart disease is the leading cause of death in America, and increasingly, around the world. Join AMPHS National and our Institute of Cardiovascular Science as we unite together to fight this epidemic and make our communities safer and healthier. Train with us. Learn and prepare for the unexpected.

when have you  
**relaxed**  
**with nature?**

let go of all your stress. relax with natural methods and remedies. combine alternative treatment and therapies to provide for a holistic approach to health and wellness. work with our physicians, instructors, and professionals to hone an environment concentrated towards your wellbeing. all this, plus the resources of our larger, multidisciplinary, medical and public health non-profit organization.

**2010 is ending**  
but don't let your **10 minutes**  
of saving a life end

**10**  
IS ALL  
IT TAKES

10 minutes is all it takes for someone in cardiac arrest to suffer irreversible brain damage. Don't let that happen to your loved ones! Join AMPHS National in our efforts to decrease the deaths from heart disease around the globe.

Come train with us! Contribute to our mission! Whether you can contribute 10 cents or 10 dollars, every cent will go directly to creating a healthier community. That is our promise to you.
